There will be children's supervision at the 9:30am service, but not the 11:30am service.

*A community of worshipping disciples;
overflowing with God's love and presence;
serving and transforming lives, communities
and generations with the gospel of Jesus Christ.*

Can You Help?

We're looking for some extra arms to help pack up the hall after our 2nd service on Sundays. This can be at 1pm, or later in the afternoon. Let Ps Nigel know if you would like to be on the roster for this.

Loving Our Neighbour **TONGA SUPPORT**

Legacy will be collecting donations to help Tonga respond and rebuild in their time of need. We'll give this to a church/partner there who can respond directly to needs in the community.

When giving through Legacy, use reference: 'Tonga' and your giving number. We'll make sure it gets there!

If you haven't done our 'Foundations' Bible Series yet, it's a great way to get to know your bible and especially the Gospel of the Kingdom woven throughout. Book in, or get more information from Ps Nigel
